

## UNIFORM POLICY

The Findon High School uniform has been endorsed by the Governing Council in accordance with regulations for its development and approval. The approved supplier is Hambours, 2 Wilson Street, Royal Park, SA.

Our Governing Council has given **three main reasons for this policy** and the strong support it enjoys.

- The wearing of a neat and tidy uniform is widely regarded as a positive indication of a successful school, and one in which the parents and students have real pride and a sense of ownership.
- The use of uniform is a cheaper alternative than wearing casual clothes. Our school's uniform committee of students, staff and parents ensures that our uniform items are reasonably priced.
- To ensure students' safety it is helpful for staff on duty to have all our students easily identifiable.

### ADDITIONAL UNIFORM OPTIONS FOR GRADUATE STUDENTS (Yr12)

The Graduate students (Yr 12) are permitted to wear a special jacket as determined by the Graduate Coordinator on an annual basis.

### ADDITIONAL INFORMATION

**Physical Education and Sport:** To encourage good personal hygiene habits we believe that our students **must change clothes** for Physical Education lessons. Students are expected to bring a change of clothes. On most occasions the school will supply appropriate uniforms for sporting teams who compete in our sports programs. Students may still need to provide their own shorts.
